PREFACE.

PREFACE.

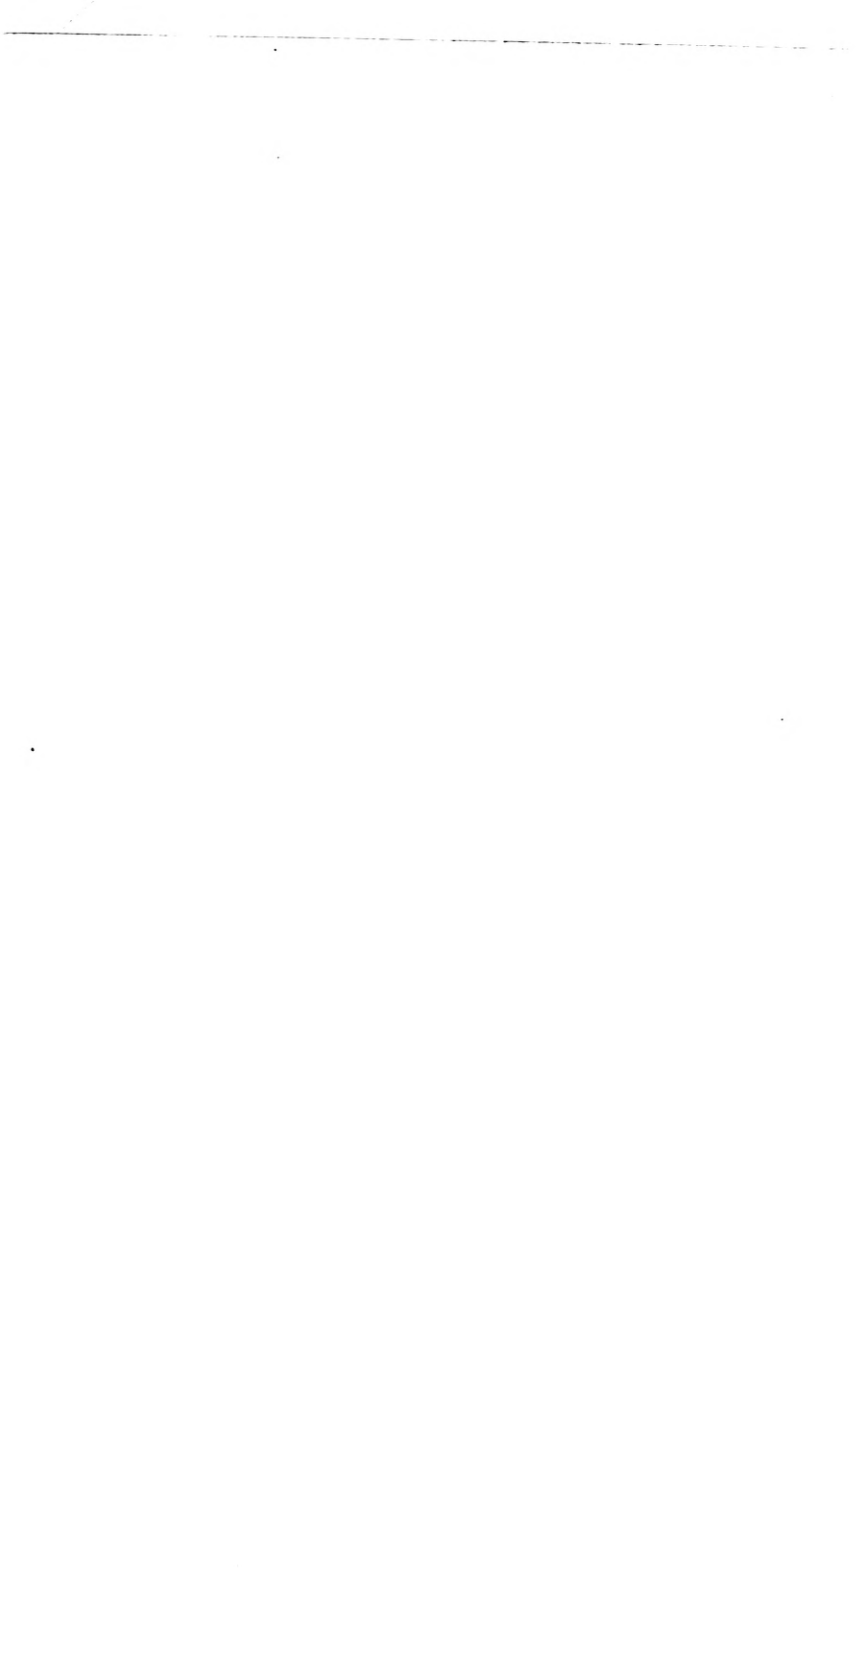

Several preceding volumes of this series have lacked the records of a number of members and this volume is no exception. Up to the date of going to press, no answers have been received to letters sent months ago, asking for information which might have completed some of these records. In such cases it has seemed better to print nothing than to print something with the risk that it might prove to be erroneous. To do this would destroy the value of the book, which must be authentic if it is to serve the purpose for which it was designed. By the time that a second edition is printed it may be possible to insert what is necessarily omitted now.

This is the twenty-ninth volume prepared by the present compiler. As it also completes the thirtieth thousand of the society's membership, it has seemed fitting to mark the occasion by adding to the title-page the name of one whose patient care has made all these volumes what they are.

Born in Bay City, Michigan.

Wife of John W. Christiancy.

Descendant of Moses Webster.

Daughter of Samuel Cheever Webster and Elizabeth Cutler Robinson, his wife.

Granddaughter of John Webster and Thankful Cheever, his wife.

Gr.-granddaughter of Moses Webster and Elizabeth Woods, his wife.

Moses Webster, (1754-1844), was placed on the pension roll of Windsor Co., Vt., 1832, for ten months actual service as private in the New Hampshire line. He was born in Chester, N. H.; died in Hartland, Vt.

Also Nos. 4880, 23461.

"See No."—indicates a reference to that number in the same volume.

"Also No." indicates the National number of a "Daughter" who has entered the Society on the same ancestor and whose lineage has been published in a former volume. This is done to link together widely scattered families. If the number should be 4006, it will be in the fifth volume; if 5005, in the sixth volume, etc.

"Real Daughters" are those whose fathers rendered service in the cause of Independence, and their names are printed in italics in the text and index. There are twenty-five "Real Daughters" in this volume.
